**Interviewer  
Cheebo  
Choir**

**SFX: opening theme**

INTERVIEWER : Tonight we are at a performance of the Caveman Chorus with Cheebo conducting. I understand you teach a very unique method for singing.

CHEEBO : Yes, that's true. It's a relaxation technique. You have to relax the tongue, something like this.

INTERVIEWER : Like what?

CHEEBO : Like this. You see it is much easier to sing when you don't have your tongue wagging about. All those consonants in our language just interfere with the smooth production of sound. All song sings on vowels, you know.

INTERVIEWER : I see you have your chorus primed and ready to start. Shall we have a demonstration performance?

CHEEBO : By all means. One, two, three, four.

CHOIR : Row row row your boat  
gently down the stream  
Merrily merrily merrily merrily  
Life is but a dream

CHEEBO : Thank you. Thank you. Well, what did you think?

INTERVIEWER : But, but, I couldn't understand a word they were saying!

CHEEBO : Sure you can. You just have to free up your mind, that's all. Here, listen again. One, two, three, four.

CHOIR : Row row row your boat  
gently down the stream  
Merrily merrily merrily merrily  
Life is but a dream

CHEEBO :            Thank you. Thank you. You see? Did you understand better this time?

**SFX: closing theme**

INTERVIEWER :    Um, uh, yes, I guess so. This is Seenit All for the CCC - Continuous Caveman Coverage.
